# SCOUTING IRELAND CAMPSITES AND FACILITIES CLG

(A Company Limited by Guarantee not having a Share Capital)

## DIRECTORS' REPORT

FINANCIAL YEAR ENDED 31 AUGUST 2019

---

The directors present their report and the financial statements of the company for the financial year ended 31 August 2019.

### PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company during the year was the activity of the National Scout Centre at Castle Saunderson.

The Board of Directors have considered the results for the year and the financial position at year end. Whilst the Board of Directors recognise that the National Scout Centre is still in its establishment phase, it has identified changes it wishes to make in the 2019/20 financial year which will upon implementation improve financial performance.

### RESULTS

The Income and Expenditure Account and Statement of Financial Position for the year ended 31 August 2019 are set out on pages 8 and 9.

The deficit for the year amounted to €74,303 compared to a deficit of €73,414 in the previous year.

### FUTURE DEVELOPMENTS

It is planned that the company will continue as before. No significant future developments are planned.

### EVENTS SINCE THE END OF THE FINANCIAL YEAR

On the 11th of March 2020, the World Health Organisation officially declared COVID-19, the disease caused by novel coronavirus, a pandemic. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non – essential services have triggered significant disruptions to businesses and organisations in the country and worldwide. Management has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of the period ended 31 August 2019 have not been adjusted to reflect their impact. Management is closely monitoring the evolution of this pandemic, including how it may affect the company, the economy and the general population and will continue to monitor closely the global developments of this new virus and respond accordingly.

### PRINCIPAL RISK AND UNCERTAINTIES

The main risk is that National Scout Centre occupancy can fall as well as rise, which can result in income falling as well as rising.

Due to the recent outbreak of the Coronavirus (COVID-19), subsequent to the financial reporting period, could expose the Charity to certain risks inherent in performing its daily operations in the Country, which may adversely affect the results of the Charity's performance and financial condition. Uncertainty about global economic conditions due to the Coronavirus could result in difficulties providing services, unemployment, negative financial news and/or declines in income or asset values. The duration and impact of the COVID-19 pandemic remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Charity for future periods. Management continues to monitor and assess the ongoing developments and will respond accordingly.

### HEALTH AND SAFETY

It is the policy of the company to ensure the health and welfare of employees by maintaining a safe working environment and place of work.

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**(A Company Limited by Guarantee not having a Share Capital)**

**DIRECTORS' REPORT**

**FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**RESEARCH AND DEVELOPMENT**

Due to the nature of the company, it did not engage in any research or development during the year ended 31 August 2019.

**DIRECTORS**

The persons who served the company during the year are set out on page 1.

The company is limited by guarantee and does not have a share capital.

There were no contracts or agreements of any significance in relation to the company's activities in which the directors or secretary of the company had any interest as defined by the Companies Act, 2014.

**ACCOUNTING RECORDS**

The measures taken by the directors to secure compliance with the requirements of Sections 281 to 285 of the Companies Act, 2014, with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at Larch Hill, Tibbrabben, Dublin 16.

**STATEMENT OF RELEVANT AUDIT INFORMATION**

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- \* so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- \* that director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**RELATED PARTIES**

The company continues to rely on the support provided by a related entity, Scouting Ireland CLG.

A list of related parties are set out in Note 14 to the financial statements.

**AUDITOR**

The auditors, Grant Thornton, continue in office in accordance with section 383(2) of the Companies Act, 2014.

Signed on behalf of the Directors

  
Sean Farrell  
Director

  
David Walsh  
Director

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
(A Company Limited by Guarantee not having a Share Capital)

**DIRECTORS' RESPONSIBILITIES**

**FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year giving a true and fair view of the state of affairs of the company for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Irish Generally Accepted Accounting Practice in Ireland, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and promulgated by the Institute of Chartered Accountants in Ireland and Irish law.

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company for the financial year end date and of the surplus or deficit of the company for that financial year and otherwise comply with the Companies Act, 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act, 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the directors

  
Sean Farrell  
Director

  
David Walsh  
Director

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**(A Company Limited by Guarantee not having a Share Capital)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**Opinion**

We have audited the financial statements of Scouting Ireland Campsites and Facilities CLG which comprise the Financial Statements for the financial year ended 31 August 2019, and the related notes to the financial statements, including the summary of significant accounting policies.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion, Scouting Ireland Campsites and Facilities CLG financial statements:

- give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland of the assets, liabilities and financial position of the company as at 31 August 2019 and of financial performance and cash flows for the financial year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Act, 2014

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the "responsibilities of the auditor for the audit of the financial statements" section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, namely the Irish Auditing and Accounting Supervisory Authority (IAASA) Ethical Standard concerning the integrity, objectivity and independence of the auditor, and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

Other information comprises information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies in the financial statements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**(A Company Limited by Guarantee not having a Share Capital)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**Matters on which we are required to report by the Companies Act 2014**

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements. Based solely on the work undertaken in the course of our audit, in our opinion, the directors' report has been prepared in accordance with the requirements of the Companies Act 2014.

**Matters on which we are required to report by exception**

Based on our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by section 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

**Responsibilities of management and those charged with governance for the financial statements**

As explained more fully in the directors responsibilities statement, management is responsible for the preparation of the financial statements which give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland, including FRS 102 as adopted by the European Union, and for such internal control as they determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

**Responsibilities of the auditor for the audit of the financial statements**

The auditor's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes their opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**(A Company Limited by Guarantee not having a Share Capital)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

As part of an audit in accordance with ISAs (Ireland), the auditor will exercise professional judgment and maintain professional scepticism throughout the audit. The auditor will also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for their opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If they conclude that a material uncertainty exists, they are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify their opinion. Their conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that may be identified during the audit.

**The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**(A Company Limited by Guarantee not having a Share Capital)**

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**1. ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and Irish statute comprising of the Companies Act, 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the company's accounting policies (see note 2).

In preparing the financial statements, the Company has referred to guidance included within FRS 102 and the Companies Act, 2014.

**Incoming resource**

Donations are accounted for on a cash receipts basis.

National Scout Centre income and other income sources are recognised where there is entitlement, certainty of receipt and the amount can be measured reliably.

**Grants receivable**

Revenue based grants receivable are accounted for in the Income and Expenditure Statement when the company's entitlement becomes legally enforceable and the related expenditure has been incurred.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is charged in order to write off the assets over their expected useful lives at the following rates:

Freehold land	Nil
Freehold buildings	2% straight line
Fixtures and fittings	33% straight line
Motor vehicles	33% straight line
Computer equipment	33% straight line

**Volunteers and donated services and facilities**

The value of services provided by volunteers is not incorporated into these financial statements.

**Resources expended**

Expenditure is recognised when a liability is incurred. Contractual arrangements are recognised as goods or services are supplied.

**Irrecoverable VAT**

All resources expended are classified under activity headings that aggregate all costs related to the category. As VAT is irrecoverable, it is charged against the category of resources expended for which it was incurred.

**Stocks**

Stocks are valued at the lower of cost and estimated net realisable value at the balance sheet date. Cost, using the first-in-first-out basis, consists of original cost of goods without any additional overheads.

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
**(A Company Limited by Guarantee not having a Share Capital)**

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

**Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

**Cash and Cash Equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value. In the Statement of cash flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

**Financial Instruments**

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Income statement.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**SCOUTING IRELAND CAMPSITES AND FACILITIES CLG**  
(A Company Limited by Guarantee not having a Share Capital)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019

---

2. **Judgements in applying accounting policies and key sources of estimation uncertainty**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenditure.

3. **Analysis of turnover**

All income was generated at our National Scout Centre in Castle Saunderson which is located in the Republic of Ireland.

4. **(Deficit) on ordinary activities for the year**

	2019	2018
	€	€
The deficit is stated after charging:		
Depreciation on tangible fixed assets	<u>49,112</u>	<u>49,006</u>

Audit fees are paid by a related party, Scouting Ireland.

5. **Interest payable and similar charges**

	2019	2018
	€	€
Bank overdraft and loans repayable within five years	—	—

6. **Taxation on (deficit) on ordinary activities**

This company has been granted charitable tax status by the Revenue Commissioners and is not liable for Corporation Tax.

7. **Staff numbers and costs**

The average number of full-time equivalent employees during the year was 1 (2018:2).

The directors of Scouting Ireland Campsites and Facilities CLG received no remuneration for their services. Directors incurred expenses are reimbursed.

	2019	2018
	€	€
The staff costs comprise:		
Wages and salaries	38,422	26,831
Employer's PRSI contribution	<u>4,048</u>	<u>2,859</u>
During the year the wages were	<u>42,470</u>	<u>29,690</u>

The company continues to rely on the support provided by a related party entity, Scouting Ireland CLG, who pays wages and salaries.

Capitalised employee costs during the financial year amounted to €Nil (2018: €Nil). In line with the disclosure recommended by SORP (2015) a total of Nil employees (2018: Nil) earned remunerations in excess of €75,000.

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2019**

---

**15. Events since the end of the financial year**

On the 11th of March 2020, the World Health Organisation officially declared COVID-19, the disease caused by novel coronavirus, a pandemic. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non – essential services have triggered significant disruptions to businesses and organisations in the country and worldwide. Management has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of the period ended 31 August 2019 have not been adjusted to reflect their impact. Management is closely monitoring the evolution of this pandemic, including how it may affect the company, the economy and the general population and will continue to monitor closely the global developments of this new virus and respond accordingly.

**16. Approval of financial statements**

The financial statements were approved on *27<sup>th</sup> April 2020.*
